

COMMUNITY ENGAGEMENT

COLLAGE WITH A CAUSE

In this workshop, participants will use their discussion of social injustices to create an artistic representation of a healing society.

1-2 hours

10-30

A FAMILY THAT MOVES TOGETHER

This workshop brings members of the family closer together through a series of creative movements. Join us for dancing, stepping, and other modes of healthy choreography to get your blood flowing and bonds growing.

10-30

IS THIS THING ON?

Let loose with a little microphone check and some karaoke vibes. Set the stage and give us your best rendition of your favorite track with our custom feel-good playlist. Add a few props, costumes, and most importantly, the right song to captivate the crowd. Be prepared for some unique challenges to be thrown your way.

1.5-2
hours

10-30

CULTURAL EXCHANGE

In this unique experience, participants will engage in a series of creative activities that address the multicultural makeup of their school, company, or organization. Explore communities across the globe through the arts, foods, literature, and more.

1-2 hours

10-50

POETRY AND PAINT

Imagine a world where we merge the works of our favorite visual artists with our favorite poets. Channel your inner Basquiat and Picasso in a session of creative expressions, where participants paint images that elevate the poetry readings by our host.

COMMUNITY ENGAGEMENT

BOOKED & BUSY

Games, Read alouds, and Giveaways Galore.

Bring the community together as participants bond over their love for literature. This range of activities will promote literacy skills for students and their families.

1-2 hours

10-30

TAKE CARE OF YOUR SELF-IE

Join us for discussions and activities that promote positive self-esteem and self-care. Each participant will get the opportunity to create an artistic representation of what self-care looks like to them while using a variety of artistic mediums.

1-2 hours

10-30

PROBLEM SOLVERS

This session offers participants the opportunity to engage in healthy discussions and activities about community concerns. Students and families will problem-solve ways that they can support growth and change in their communities through the creation of a large-scale puzzle that will showcase their ideas on how to work together for a better future.

1-2 hours

10-30

THEATER & TRIVIA

Participants compete in a series of family-style trivia and acting challenges that help release their inner Hollywood star. Join in, play along, or be a supportive audience member and enjoy a night of silliness.

1-2 hours

10-50

CHALLENGE ACCEPTED

This experience builds communities with a series of healthy physical competitions for all ages. Participants not only strengthen their sportsmanship but build alliances with new teams as well.
