

PD OPPORTUNITIES

THE ART OF GROUP MANAGEMENT

Integration of key group management strategies into daily learning activities, meetings, and workshops. Participants will become equipped with new skills that enhance their facilitation toolkits, increasing engagement for learning outcomes.

3 hours

10-30

ARTIVISTS IN ACTION

Merge the worlds of art and activism and design a product that empowers communities. In our time together, you'll learn how to use your creative skills to amplify social justice efforts and make a real impact. Join us and become a part of this dynamic movement!

3 hours

10-30

PERFORMANCE MANAGEMENT

Challenges with pacing school productions, assemblies, or classroom performances? Learn how to manage your project from start to finish without losing time or losing your cool. In our sessions, participants will acquire skills that increase productivity, team communication, and community partnerships.

Ongoing

5-15

MIXED MEDIA

Need to liven up your lessons? Try incorporating new multi-media strategies into your daily plans. Increase participant engagement with your new toolkit of tips, tricks, and tech-saavy tactics. We'll integrate platforms such as PowerPoint, social media, film, television, and much more.

2-3 hours

7-30

GROWING YOUNG LEADERS

Magnify the potential of students in this workshop as participants explore youth management techniques used to develop student leadership in their school/organization. Build confidence, trust, respect, and community through this ongoing series.

PD OPPORTUNITIES

CHALLENGE ACCEPTED

In this session, participants will engage in a series of creative challenges that promote team building, faculty/staff self-reflection, and leadership strategizing opportunities. As participants work toward the movement of an improved school climate during the school year, they will also identify community deficits and the role(s) they play in its recovery.

3 hours

10-30

GOAL ORIENTED

Recalibrate the roles and responsibilities of staff members through a series of artistic representations. Highlight personal, professional, and departmental goals that support the vision of your organization and represent all members of your community. All artistic creations are designed to remain on display.

3 hours

10-30

REAL TALK

Courageous conversations can be difficult to execute. Whether you're having them with colleagues, leadership, families, or students, they can often present themselves as an obstacle to your progress. Let's discuss methods of fusing accountability with adaptability through role-playing exercises and your newly acquired toolkit.

Ongoing

5-15

A PLAN FOR YOUR PLAN

Need help with the pacing of your facilitation? Assistance when organizing learning goals? Let's give your content the attention and structure it deserves as we develop the tools to design a well-crafted lesson or facilitation plan. Explore creative and practical approaches to maximizing the engagement of your audience.

2-3 hours

7-30

NO WORK AND ALL PLAY

Looking for ways to break up the monotony in your next lesson or your next meeting? Discover the power of fun and games in this workshop, where participants explore a series of brain breaks, icebreakers, and practical teambuilding strategies that support communication and relationship building.
